Company Introduction

LAYER LIGHTING. is a professional lighting manufacturer, it is located in the hometown of lighting in China.It is from Hang-Yong highway less than 20 kilometres and the transportation is very convenient.

Our company is specialized in manufacturing of various exterior lightings, including stainless steel, aluminium, copper and brass material. With the high quality equipment and craft, we have been keeping pursuing and improving our lights towards the higher quality and more colorful style according to our customers’ requirement. We are also developing new products and expanding new market continuously.

At present, our products are extensively applied in city squares, public green belt, living areas, roads and buildings etc. . Now, Layer has won great fame and trust from lots of customers at home and abroad for its quality, colorful style and thoughtful service.

We sincerely look forward to serving every customer at home and abroad, we also would like to start and build a better cooperation hand in hand with the old and new customers all over the world.

Your satisfaction is our pursuit!
